

00:00 to 00:42 What does Secret Santa consists in ?

Answer

Secret Santa is a method which makes each person in a group choose another one to give a present to, so that everybody buys a present for someone and also gets one.

01:22 to 01:36 What are the two fundamental things for a perfect Secret Santa ?

Answer

1. It should be anonymous : nobody should know who bought his or her present.
2. It should be perfectly random : you should have the same probability of getting a present from each member of the group.
